Policy Statement:
1.1 Our school uniform consists of a limited range of clothing, including footwear and headwear. It identifies students as belonging to our school. Our school expects students to wear the uniform during school hours, while travelling to and from school, and when engaged in most school activities out of school hours.
1.2 Our school uniform reflects school community standards and expectations. It has been developed in consultation with and agreed upon by the school community, through the P&C.
1.3 Decisions about school uniforms should be consistent with work health and safety, anti-discrimination and equal opportunity legislation. Aspects of the uniform related to safety, eg. safe footwear, eye protection and hats, will need to be enforced as appropriate. Our school's uniform policy takes into account the diverse nature of the student population in the school and will not disadvantage any student.

Audience:
2.1 The students, parents and staff of Bankstown West Public School.

Context:
3.1 The Department of Education and Communities and the School Community supports the wearing of school uniforms by students and the upholding of high standards of dress by students and staff.

Responsibilities:
4.1 When a school community agrees on a school uniform, the principal oversees the shared responsibility for ensuring that students are encouraged to wear school uniforms that meet agreed community standards and adhere to legislative requirements.

Monitoring and Evaluation:
5.1 The school’s uniform policy and school uniform requirements should be reviewed at least every five years and amended where necessary. Groups within the school community may also seek a review when circumstances change significantly or issues arise.
